### MEETING

Nancy Stranahan, The Arc of Appalachia Preserve System, and Margo and Emerson Babington, county residents, met with the Board of Commissioners regarding the purchase of land by the Preserve from the Babingtons. The following were also present for the meeting: Bill Fawley, County Auditor; Martha Jacob, Highland Press; and Katie Wright, Times-Gazette. Ms. Stranahan presented a slide show to the Board explaining the changes the Preserve hopes to make to employ more people and to attract thousands more visitors to Highland County. The Appalachia Tourist Museum will open in one year and the Preserve will create more trails.

The Babingtons will sell acreage along the Rocky Fork Corridor to the Preserve. The Board of Commissioners asked if the land the Babingtons sell to the Preserve is part of the Southside Sewer project. Ms. Babington assured the Board that the corridor lands are separate from the Southside Sewer project property. Ms. Stranahan will send all legal documents to the Prosecutor for review. Ms. Stranahan also asked for a letter of support for the Clean Ohio Grant. The Commissioners will discuss this before Ms. Stranahan meets with them again on July 29.

On August 1, 2009, The Arc of Appalachia will assume control of the Serpent Mound and Fort Hill parks with limited financial support from the Ohio Historical Society. The Arc will be asking for public support for funds to operate the two parks. The Board thanked everyone for meeting with them.

### MEETING

Victoria Bowman, Western Southern Life Insurance, met with the Board of Commissioners to ask permission to contact county employees regarding insurance. The Board informed Ms. Bowman that the County's Section 125 provider is AFLAC and she should contact the County Auditor first for his approval for payroll deduction of premiums. If she receives the Auditor's approval, she may contact individual departments. Ms. Bowman thanked the Board for meeting with her.

The volunteers help feed and water the dogs, and clean the kennel. Sheriff Ward asked permission from the Board to allow dogs to be euthanized by intravenous injection instead of using carbon monoxide. Injections will be paid for with private funding with no cost to the county. The Board thanked the volunteers for donating their time and energies to the Dog Kennel.
