NOTICE OF PUBLIC HEARING NO. 1

Highland County intends to apply to the Ohio Department of Development for funding under the FY 2011 Ohio Small Cities Community Development Block Grant, Community Development Program, Formula Allocation, a federally funded program administered by the State. The County is eligible for funds, providing Highland County meets applicable program requirements. Due to the uncertainty of the Federal Fiscal Year 2011 Budget allocation levels, the County will not be informed of their allocation until late June 2011.

The first of two public hearings will be held on May 11, 2011, at 10:00 a.m. in the Highland County Commissioners' Office at 119 Governor Foraker Place, Hillsboro, Ohio to provide citizens with pertinent information about the CDBG program, including an explanation of eligible activities and program requirements. The CDBG program can fund a broad range of activities including economic development projects, street improvements, water supply, drainage, and sanitary sewer improvements, park acquisition and improvements, demolition of unsafe structures, and rehabilitation of housing and neighborhood facilities. The activities must be designed to primarily benefit low and moderate income persons, aid in the prevention or elimination of slums and blight or meet an urgent need of the community. Citizens are encouraged to attend this meeting to offer their input on the County's CDBG program.
