MEETINGS/APPOINTMENTS

9:30 a.m. – EMS Modernization Grant

Individuals from the Hicks Partners group came before the Commissioners, Paint Creek EMS, and EMA to discuss a possible EMS Modernization Grant. It would involve getting individuals in Highland County the resources they need such as home health, physical therapy, counseling, etc. by working in collaboration with a company to filter the resources. The grant ask is \$500,000.00 and it is a one time expense that will last for two years, and then the cost would be placed on the municipalities and townships that are participating. Commissioners asked chief manning to think about it and get back with them in a timely manner as the deadline to apply is October 6th.

Commissioners then went to the Economic Development office to have a zoom meeting with Hicks Partners.

Meeting Adjourned at 11:30 a.m.
